## Projects for neighborhood and integration

Alltogether 22 association and other organisations applied for the promotional competition for neighborhood projects in 2016. The aim was to appreciate the engagement of numerous voluntary people from Potsdam and to make the organisations and their projects more known. ProPotsdam provided an amount of 15.000 € for the competition.

The submitted ideas and project descriptions were shown on the internet page [www.fuer-potsdam.de](http://www.fuer-potsdam.de) for a period of about two months when the applicants could promote for themselves to collect as much as possible online votings. With 4,852 votes we had an increase of delivered votes of 40% compared to the two previous years.

The first price of about 5,000 € won the association RokkaZ e.V. with its project "Potsdam goes Orlando" which shall enable young hip-hop dancers of the association to participate in the world championship in 2017 in the USA.
